Park85 is surrounded by a number of small, down-to-earth eateries. Their food is absolutely amazing and the atmosphere is both private and welcoming. The ambiance is akin to eating at a friend's house, as opposed to going out to dinner.

Most of the time, our family enjoys spending time at home cooking together with friends and family creating our own recipes. We talk, laugh, and share ideas while preparing a healthy meal for everyone, working through the day's challenges.

When we choose to go out for lunch or dinner, we look for the same experience we cherish at home. Here are some of our favourite restaurants where both the food and experiences are remarkable.

1. **Rosdee**
   - Located just around the corner from Park85, this restaurant has been in business for nearly 50 years. Andreas eats there as much as he can and never gets bored of their Duck Noodle Soup. We can honestly say they have the best duck in town. Don't hesitate to give it a try; it's simple, but absolutely worth it.
   - Open: 8AM – 9PM
   - Tel: 02 533 1275

2. **Sixty-Four Restaurant**
   - A quaint, charming Italian restaurant, Peppe serves up authentic, home cooked Italian food. The minute you step into Peppe, you feel like you've been transported to the center of Napoli, Italy. You won't find more authentic Italian food anywhere else in Bangkok.
   - Open: 10:30AM – 9PM
   - Tel: 02 812 4711

3. **Chia Tai Farm**
   - We enjoy purchasing mini pumpkins and cantaloupes here as they are both organic and well priced. If you've not tried it before, the Roasted Miniball Pumpkin & Dips are a must try. It's both delicious and rich in nutrients.

5. **Oak Wine Valley**
   - Located at the Häfele Design Studio, this eatery offers German, Thai and international Cuisine. When our stomach and heart aches for a taste of ‘home’, we go here and enjoy a “Schnitzel” or “Spaetzle”. In addition to its food, Sixty-Four is also a great place to shop for house hold items.
   - Open: 11AM – 8PM
   - Tel: 02 741 4798

6. **Peppe Italian Food & Wine**
   - We eat a lot of “Crying Tiger” here (Grilled marinated beef with spicy dipping sauce). Every time we visit, we order double the dishes. Their prices are very reasonable. The restaurant is open at 6 P.M. and is always busy.
   - Open: 6PM - 12AM

7. **Octave Rooftop Lounge & Bar**
   - Khao has been featured in the Michelin Guide two years in a row (2020-2021). The curry is delicious, the Thai desserts are amazing and there is also a chef table. If you want to have dinner under the stars with great drinks, this is one of our most recommended rooftop bars.
   - Open: 11AM – 10PM

8. **Khao**
   - Casa Teo is an excellent Spanish Restaurant. Their Gambas al Ajillo (Spanish Garlic Shrimp) is a must try. In traditional Spanish style, the spicy oil the meal is cooked in is as delightful as the shrimp itself. Order up a glass of wine, dip your bread in the delightful oil or try any number of their tapas (appetizers). You will love this Spanish experience.

Our Family Recipes

Strawberry – Raspberry jam

How to prepare:
Place empty Jam jars into a big pot of boiling water to disinfect. Cut strawberries into small pieces. Place frozen strawberries and raspberries together with the sugar into a big pan on low heat and stir until all the sugar has dissolved. Add Agar-Agar powder. Cook on a rolling boil for 15-20 minutes. After 15 minutes, start checking to see if it has reached the setting point with the saucer. Place a small amount of the jam on the cold saucer, wait a few seconds, push with your finger and if it wrinkles as opposed to still being runny, it’s ready. If not, give it another 3-5 minutes.

Turn off the heat and discontinue the boiling. Take jars out of the boiling hot water and add the jam into the hot jars and seal immediately. Store in a cool dark place for a year. If it doesn’t get eaten up before then!
